A reflection of determination and excellence: PM lauds U20 athletics

Young athletics shine at the 22nd Asian U20 Championships, securing of 19 medals, 10 golds

New Delhi: Prime Minister Narendra Modi on Monday lauded the Indian U20 athletics contingent for their 19-medal haul, including 10 gold, at the U20 Athletics Championships, calling it a reflection of the determination and excellence of young athletes.

The Indian contingent wrapped up their campaign in style by adding three gold medals to their tally on the final day and overall finished second with 19 medals. Besides 10 gold medals, the Indian team also won five silver and four bronze medals.

Based on the total number of medals, it was not India's best-ever return at the competition, but the benchmark remains the 2024 edition in Dubai, where India won 29 medals, including seven gold, 11 silver and 11 bronze.

On the final day, after

Muskan won the women's 5000m in 16:53.08, Nishegh

took silver in the men's 800m race. He won the men's 800m gold in 1:48.27.

- PM Modi shared on X

“Congratulations to the Indian contingent at the 22nd Asian U20 Athletics Championships for winning 19 medals, including 10 golds. This outstanding performance reflects the determination and excellence of India's young athletes. May these achievements inspire many more young Indians to pursue sports in the years to come.”

U20 record of 60.10m, and Mogali Venkatram Reddy won the men's 800m gold in 1:48.27. Neeru Pathak anchored the Indian 4x400m women's team to gold.

Other members of the victorious Indian 4x400m women's relay squad that clocked 3:38.07 seconds to better the meet record were Bhumika Sanjay Nehate, Tahura Khatun and Snehrone Bawa. The previous meet record of 3:38.20 was set by

Women's T20 WC: 'Molineux is a game changer,' says McGrath

New Delhi: Australia's narrow defeat to South Africa in an unofficial Women's T20 World Cup warm-up fixture may have denied them a winning start to their preparations, but the return of captain Sophie Molineux provided a significant positive ahead of the global showpiece, and for vice-captain Tabitha McGrath, the performance was a timely reminder of the value the skipper brings to the Australian side.

Playing her first match since February after recovering from a back injury, Molineux wasted little time making an impact. The left-arm spinner struck with her

very first delivery, dismissing Sune Luus, before removing Dane van Niekerk two balls later, finishing with figures of 2/17 from three overs.

"First of all, it's nice to have her bowling. Not bowling in the West Indies, it was awesome to see her with a ball in hand as she took wickets for Kayla McGrath said. The Australian vice-captain also highlighted the often-underappreciated work Molineux does for the team by taking on difficult overs across different stages of an innings and believes versatility makes her one of the most influential bowlers in the squad, particularly in pressure situations.

Zverev weathers early storm, sets up QF with Jodar

Paris: Alexander Zverev fought back from a slow beginning and a tough challenge from Jesper de Jong to reach the Roland Garros quarter-finals for the sixth straight year, continuing his quest for his first Grand Slam win.

The second-seeded German player in Paris overcame an early deficit to beat lucky loser De Jong 7-6(3), 6-4, 6-1 in a fourth-round match on Court Philippe-Chatrier that took two hours and 14 minutes.

De Jong, ranked World No. 106, began confidently and quickly took a 3-0 lead in the first set, momentarily challenging one of the tournament favourites. Nevertheless, Zverev gradually adjusted from the baseline, gaining control of the match and ultimately defeating the Dutch player through his greater consistency and better shot selection.

"In the beginning it was a bit difficult. I didn't start off strong and he started off really fast and really well.

But once I found my rhythm, I felt very comfortable on the court and that's the most important thing for me. I feel like my game is there, now it's about showing it on the match court," Zverev said in his on-court interview.

The victory continues a remarkable streak of consistency for the 29-year-old at Roland Garros. By advancing to the quarter-finals for the eighth time in his career, Zverev tied for sixth place in the Open Era records for most last-eight appearances at this clay-court Grand Slam.

Having finished as the runner-up in Paris last year and reaching three Grand Slam finals overall, Zverev remains a strong contender for his career's biggest prize. In the match against De Jong, he converted four out of seven break points created and grew more dominant as the match went on. The German's path to the semi-finals now leads through one of the ATP Tour's most promising young players.

Gambhir enjoys tennis break watching daughter's play

New Delhi: India head coach Gautam Gambhir enjoyed a rare break from cricketing pressure as he spent quality time with his family and watched his elder daughter Azeen play tennis at the Delhi Lawn Tennis Association. Gambhir shared a video on Facebook showing him tying Azeen's shoelaces and later watching her match from the sidelines. Reflecting on the experience, he wrote, "It's good to see a match without coaching the player!"

The Indian coach has been away from national duties since the conclusion of the T20 World Cup on March 8, while players competed in the 19th edition of the IPL.

'Felt like a family again,' says Ismail on reversing retirement

New Delhi: Pace spearhead Shabnim Ismail marked her return to South African colours with a match-winning performance and an emotional homecoming as the Proteas women defeated Australia by seven runs in an unofficial T20 warm-up fixture ahead of the ICC Women's T20 World Cup.

The veteran fast bowler, who recently reversed her international retirement in a bid to help South Africa challenge for a maiden world title, claimed 4/39 to play a decisive role in defending 169 at Arundel Castle. Her victims included Australian power-hitters Ash Gardner and Grace Harris as South Africa successfully closed out a tense contest.

While the result provided an encouraging boost ahead of the tournament, Ismail revealed that her comeback began with a mixture of excitement and nerves.

"Well, to be honest, I was really excited in the first over. Then I bowled a no-ball or two. Then I was thinking, oh, here we go again. And it's so funny because every

time in the nets, the coach is like, Shabz, no ball! I was like, coach, don't say anything about it. But now I know," Ismail said after the match.

The 36-year-old said that being back alongside her teammates ultimately made the decision to return worthwhile.

"He told me, Shabz, you need to work. And I was like, coach, I'll do that, definitely. It was really nice getting over the rope today with the girls. I really felt happy, and I'm happy I actually made the choice to come back and play with them. I felt like a family again, and I'm happy we got the winning result today," she added.

South Africa's victory was built on contributions with both bat and ball. After choosing to bat, the Proteas recovered through a crucial stand between Marizanne Kapp and young all-rounder Kayla Reynock, whose partnership helped lift the side to a competitive total. Reflecting on that effort, the pacer underlined the value of experience and composure in the middle order.

Winning trophies has always been my biggest motivation: Krunal Bhuvneshwar Kumar credits young bowlers' rise for the franchise's successful title defence

Ahmedabad: Royal Challengers Bangalore left-arm spin bowling all-rounder Krunal Pandya said winning trophies remains his biggest motivation in playing cricket after clinching his fifth IPL crown, as the side defeated Gujarat Titans by five wickets to defend their title at the Narendra Modi Stadium.

Pandya, who made 226 runs with the bat and picked 14 scalps in this season, previously tasted IPL winning success with the Mumbai Indians before joining RCB, who have become the third team to win back-to-back titles.

"Winning trophies has always been my biggest motivation in

Krunal Pandya celebrates his fifth IPL title with RCB

cricket because there's no feeling quite like lifting a championship. Individual performances and match wins bring happiness, but winning a tournament is something truly special.

"Throughout my career, I've always visualised and manifested success at the team level, and I've been fortunate enough to be part of sides that have achieved that. To win a fifth IPL trophy in eleven years is incredibly satisfying, and I'm grateful for the journey and the opportunities that have come my way," said Pandya on JiHotstar.

Senior pacer Bhuvneshwar Kumar, who had a brilliant season by picking 28 wickets, said he was pleased with the development of younger bowlers like Rasikh Salam in the side. In the final, Rasikh stood out with his line, length and variations to pick 3-27 and be the standout bowler for RCB.

"As a senior player, you naturally enjoy that responsibility more when you're contributing well yourself because confidence allows you to help others

more effectively. When it comes to young bowlers like Rasikh, senior players can guide and support them, but a lot of the credit has to go to the players themselves.

"Their willingness to learn, their dedication, and the effort they put into improving are what ultimately make the difference. They've not only learned from experienced players in the group but also from someone like Josh Hazlewood and the coaching staff." Yash Dayal did an excellent job last season, and this year Rasikh stepped up and embraced that responsibility as well. Their growth has been a huge positive for the team," he added.

Gukesh, Divya suffer losses as Norway Chess title race intensifies

Oslo: Round six of Norway Chess produced another dramatic day of chess with all three games in the tournament ending decisively. World No. 1 Magnus Carlsen scored an important victory against tournament leader Alireza Firouzja. Playing with the white pieces, Carlsen gradually increased the pressure in a tense strategic battle before converting his advantage in the later stages. The win brings the Norwegian star closer to the leaders and hands Firouzja his first classical defeat of the tournament.

Wesley So claimed a crucial victory over P r a g n a n a d h a a Rameshbabu in a long encounter. So handled the

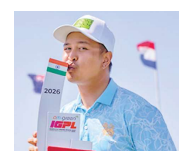

complications confidently and converted his chances in the endgame to seven of the full three points. The victory moves the American grandmaster into the top of the standings. The third decisive result came when Vincent Keymer defeated reigning World Champion Gukesh Dommaraju. Keymer maintained the initiative for much of the game, but Carlsen used his opportunities to score a valuable victory against the World Champion.

Tanapat claims Morocco title as Kartik leads Indians

El Jadida: Thailand's Tanapat Pichaikool clinched the USD 160,000 AM Green IGPL Morocco Rising Stars 2026 title with a composed two-shot victory over Bangladesh veteran Siddique Rahman at Mazagan Beach and Golf Resort in Morocco.

The 26-year-old Thai golfer, who entered the final round with a two-shot lead following a brilliant eight-round 64 in the third round, carded a steady two-under 70 to seal the championship. Despite narrowly missing a birdie putt on the 18th, Tanapat's par ensured victory and his first major success since the Toyota Tour Championship in

November 2024. Tanapat admitted the final round was tense, saying he battled nerves throughout the five-hour contest. The victory also boosts his confidence ahead of next week's USD 500,000 IGPL Bharat Classic on the same course. India's teenage

golfer Kartik Singh emerged as the top Indian performer, finishing tied 12th at nine-under after a final-round 71.
